

LISTING OF THE CLAIMS

No amendments have been made with these claims. Applicant includes them in this Response for ease of reference.

1. (Previously presented) A method for a Facilitator's web site to assist an Entrepreneur in creating an Internet business, comprising the steps of:
 - A) the Facilitator's web site offering hosting services on the Internet to the Entrepreneur;
 - B) the Facilitator's web site assisting the Entrepreneur in designing an Entrepreneur's web site by providing web site design services, wherein the Entrepreneur's web site is hosted on a server and is associated with an IP address managed by the Domain Name System;
 - C) the Facilitator's web site accessing the Entrepreneur's web site to obtain a copy of a material to be copyrighted;
 - D) the Facilitator's web site translating the copy of the material to be copyrighted into a format acceptable to the United States Copyright Office; and
 - E) the Facilitator's web site electronically submitting the translated copy of the material to be copyrighted to the United States Copyright Office.
2. (Previously presented) The method of claim 1, further comprising the step of the Facilitator's web site assisting the Entrepreneur in selecting an available domain name having a label and a top-level domain based on one or more words chosen by the Entrepreneur to describe the Entrepreneur's business.
3. (Previously presented) The method of claim 1, further comprising the step of the Facilitator's web site submitting the Entrepreneur's web site to one or more search engines.
